

PROSPECTIVE IMMIGRANTS TO CANADA

Business Opportunities Facilitator

At WebTech Management, we facilitate the work surrounding the presentation of business opportunities to prospective immigrants.

From the data gathered business specialists pre-qualify business opportunities to facilitate the evaluation processes to the need's and ambition's of those qualified immigrant investors.

We assist Investors with the pre-selection of a venture portfolio corresponding to their needs.

Part of the elements of this assessment are; the definition of the proposed venture, the investment needed to purchase parts or the totality of the opportunity, the levels of challenge, the business expertise background needed, and the level of professional assistance to insure the venture will be a success.

This selective process enables investors to facilitate their investigation, reduces considerably the time frame and the costs related to such tasks. It also reduces the risk of errors due to the lack of information and business guidance before, during and after the purchase of the venture.

A business basic venture plan is prepared before any traveling done for the prospective immigrant. For a minimal fee such a plan identifies ventures and make necessary contacts to confirm the business owner interests level.
